

What The
Magic Mirror Says

AND OTHER WORDS OF WISDOM

Match what you wear to who you are.

The only drama in your life should be in your wardrobe.

When you are not being fully yourself, what are you doing instead?

A look that is 'together' includes the person wearing the clothes.

The best place to watch for trends? Within.

How you are inside shows up on the outside.

Everything is feedback. That is the magic mirror of life.

We are always revealing ourselves fully to the world.

What you try most to conceal, you most clearly reveal.

Who decides what makes for a 'wow' look? You, or someone else?

"Fashion is not something that exists in dresses only. Fashion is in the sky, in the street, fashion has to do with ideas, the way we live, what is happening."

- **Coco Chanel**

"Above all, remember that the most important thing you can take anywhere is not a Gucci bag or French-cut jeans; it's an open mind"

- **Gail Rubin Bereny**

"Style is a simple way of saying complicated things."

- **Jean Cocteau**

"Fashion is so close in revealing a person's inner feelings and everybody seems to hate to lay claim to vanity so people tend to push it away. It's really too close to the quick of the soul."

- **Stella Blum**

"Fashions fade, style is eternal."

- **Yves Saint Laurent**

"Style is knowing who you are, what you want to say, and not giving a damn."

- **Gore Vidal**
